

8th Euro-Asian Pulsed Power Conference

23rd High Power Particle Beams Conference

17th Megagauss Magnetic Field Generation and Related Topics Conference

29 - 02
August September
2021

Biarritz - France

IMPORTANT DATES

Jan 01, 2020 : Opening of registration

Feb 01, 2020 : Opening of abstract submission

Apr 16, 2021 : Closing of abstract submission

Jun 11, 2021 : Notification of abstract acceptance

TOPICS

Pulsed power physics and technology

Generator and components

Pulsed power applications

High power microwave and RF sources

High-energy density physics and technology

Particle beam technology
